

FILM PRODUCTION SERVICES & EQUIPMENT

01 EXPERTISE

20 years of experience in the film industry - 3 Primetime Emmys, 8 Primetime Emmy Noms, 3 IDA Awards, films at SXSW, Slamdance, and VIFF. Clients include HBO, Showtime, CNN, Netflix and major brands like Chevy, IBM and Driscoll's.

02 EQUIPMENT

We have Sony 6K Venice and Arri Mini camera packages, wireless monitoring, DJI Ronin 2 gimbals, DJI Mavic 2 and Alta X Freely drones. Grip/ electric packages from vans to five ton trucks and hands-free communications.

03 CREW

We work with vetted, local-hire crew, as well as commercial and film crews from Boston and NYC.

WE
KNOW
MAINE

WHAT WE DO

From scouting and logistics, to crewing up and equipping your shoot, we are here to help. With a background of work in the film hubs of NYC and LA, we offer industry standard practices and pro services to projects filming here in Maine and beyond. We are a high-production value shop with extensive experience in documentary, commercial, and film production.

Pro Service. Premium Equipment. Based in Maine.
